CARS FOR CASA CELEBRATES 21 YEARS

The Metro East Division of the Dallas Builders Association has surpassed \$1.13 million in contributions to Lone Star CASA with its 21st annual Cars for CASA auto show held Sunday, May 17, at the Rockwall County Courthouse.

Cars for CASA began in 2005 with just 80 cars and raised \$2,600. Since then, it has grown into one of the largest shows in North Texas.

This year's show featured more than 300 vintage cars, trucks, and motorcycles and welcomed approximately 2,000 attendees. The event raised \$110,435, bringing the cumulative total raised for Lone Star CASA to an impressive \$1,133,074.

"It is unfortunate that child abuse exists and that we even have to raise money for CASA," said Doug Bowerman of Susser Bank, a co-founder of Cars for CASA. "However, since child abuse is alive and well in our community, we are very blessed to have such a large group of car show participants, sponsors, and volunteers that make it possible to donate a meaningful amount to Lone Star CASA each year."

One hundred percent of the event's proceeds benefit Lone Star CASA, a nonprofit

With live music, food trucks and lots of family fun, Cars for CASA 2026 drew approximately 2,000 car enthusiasts! Pictured is David Genz of Select Custom Home and family.

Cars for CASA Class Winner (x2!) — Dallas BA Past President Jerry Carter

BRIEFLY

Wanna Win a FREE Membership for a Year?

Help the Dallas BA continue to grow by planting new connections and recruiting members during the month of June!

For every member or prospect who joins through your referral, you will receive ONE entry into a drawing for a chance to win the following prizes:

- First Place: FREE company membership for a year (valued at up to \$1,000)
- Second Place: \$250 gift card
- Third Place: \$100 gift card

The more seeds you plant, the more chances you have to win!

organization that supports abused and neglected children in Rockwall and Kaufman counties. Lone Star CASA recruits, trains, and empowers volunteer advocates who serve children involved in the foster care system.

Making sure children's voices are heard is at the heart of everything Lone Star CASA does. Thanks to the support of Cars for CASA participants, sponsors, and volunteers, the organization served a record-breaking 272 children last year, ensuring they had a voice in court and an advocate by their side during some of the most difficult times in their lives.

"Our original goal for the event was to make sure CASA has the means to support 100 percent of the children in the two counties they serve," said co-founder Dave Hambley of Lee Lighting. "With that goal being achieved, we now focus on creating awareness of the issue and the impact it has on families in our own backyard."

For more than two decades, Cars for CASA has brought together automotive enthusiasts, community leaders, businesses, and volunteers in support of a cause that continues to make a meaningful impact throughout the region.

Join the Metro East Division at its July 16 luncheon at the SpringHill Suites in Rockwall for the official check presentation to Lone Star CASA.

Metro East Division President Kendra Barnes and husband Mike.

Runoffs, Reminders, and Reload

With summer now upon us and weekends at the lake, tee times, and vacation on the horizon, the Dallas Builders Association asks that you keep a few less sandy items on your radar.

MUNICIPAL RUNOFF ELECTIONS

The runoff election for eligible area municipal races will begin with early voting being held June 1 through June 9, and the final opportunity to vote in city elections being June 13.

Municipal races are every bit as important as those for the state house or Congress. The industry is closely monitoring runoff races in Denton, where builder-supported Chris Watts is running to be the next mayor and Erica Garland is working to be the city council member for Place 5. Other runoffs include the heated race for mayor in Frisco.

LOOKING BACK:

Recent Legislative Gains that Protect Residential Development and Building

The 89th Legislature saw big wins for home building. The 2025 session saw an effort for transparency and reasonable boundaries when it comes to impact fees and moratoriums, both being government actions that add significant increases to home prices.

Of note, Senate Bill 1883 and House Bill 2559, both priority bills for the Texas Association of Builders (TAB) and Dallas BA, brought transparency, boundaries, and protections to builders, developers, and property owners as it relates to impact fees and moratoriums.

Senate Bill 1883 amended Chapter 395 of the Texas Local Government Code to provide builders and stakeholders with time and information needed so that they can understand the complicated process used to enact and amend impact fee ordinances, as well as participate and offer needed insight as early as possible.

The law improves the public notice requirements by requiring that a political subdivision provide increased notice of land use assumptions (LUA) and capital improvement plans (CIP). The two tend to be rather long documents and contain calculations of engineering and other costs that take considerable time to review. With more time to review an LUA and CIP, our members have a better opportunity to offer critical input.

PHOTO: The Dallas Division of the Dallas BA presented a Resolution of Appreciation to retiring Mayor of Irving, Rick Stopfer. Mayor Stopfer was honored for his visionary leadership, his partnership with the Dallas BA and Operation Finally Home, and his enduring support of our military heroes.

Pictured from left: Dallas Division President Preston Johns, Director of Government Affairs David Lehde, Past President Matt Mitchell, Mayor Rick Stopfer, Dallas BA President Matt Walls and Past Dallas Division President Bob Hansen.

By David Lehde, DBA Director
of Government Affairs

SB 1883 also provides the opportunity for more input from those with stronger knowledge of the impact of impact fees via the requirement that 50% of the members of a capital improvement advisory committee (CIAC) be representatives of the real estate, development and building industry. The law also installs further guardrails to the process. The adoption of new or amended impact fees now requires a simple majority of two-thirds of the members of the governing body. There are also additional provisions that govern how frequently an entity may amend their impact fees.

There is finally a long overdue requirement that a political subdivision conduct an independent audit for their existing impact fee collections, management, and expenditures before adopting an increase or a new impact fee for a service area that was under a previous impact fee.

House Bill 2559 amended Chapter 212 of the Texas Local Government Code, requiring cities to provide a 30-day notice for a public hearing. The law further adds to transparency by requiring municipalities to send interested parties, via certified mail or registered mail, notice of the hearing. And two public readings of any proposed moratorium are now required and must be at least 28 days apart. The law removed an automatic temporary moratorium.

HB 2559 restricts the duration of a moratorium to 90 days, unless the municipality adopts an extension based on written findings. And it prohibits adopting a moratorium that exceeds 180 days, including extensions.

This law requires that a plan be provided to address purported shortages or public utility needs before a moratorium can be extended. This protects property owners from open-ended moratoriums that had occurred prior to HB 2559 becoming law.

Builders and developers are reminded to keep these new laws in mind and to contact the Dallas BA should they have any concerns with actions in various municipalities or counties.

ASSOCIATION'S CLAY SHOOT: *An Opportunity to Reload Advocacy Funds*

The HOMEPAC Shootout, presented by BGE, Inc., is scheduled for August 12. The clay-shoot benefits HOMEPAC of Greater Dallas. This is a fun opportunity to support Dallas BA advocacy and enjoy the outdoors.

The clay shoot will be hosted at the famed Elm Fork Shooting Sports facilities in Dallas. The event will begin with registration and breakfast at 8 a.m., followed by the clay shoot at 9 a.m. Lunch and posting of results will follow the shoot. The event format will be four-person teams.

Partnerships are available at multiple levels.

Registration and partner information can be found [HERE](#). You can also contact the Director of Government Affairs at David.Lehde@DallasBuilders.com.

Dallas Builders Association Earns National Recognition for Membership Growth

The Dallas Builders Association is making its mark on the national stage. NAHB recently honored the DBA with Grand Awards in two categories — **largest numerical increase and highest percentage increase in membership** — recognition that speaks to the strength and momentum of the association and the people who power it.

The Grand Awards are among NAHB's most competitive annual honors, celebrating associations across the country that achieve exceptional results in membership growth and retention.

"Earning recognition in not one but two categories is a testament to the collective effort of the Dallas BA's Membership Committee, our Membership Coordinator Alyssa Morales, and the countless members who champion the association throughout the year," said Gena Godinez, Dallas BA executive officer.

"None of this happens without people... the members who make the calls, extend the invitations, and personally invite colleagues to join," added Alyssa Morales, DBA membership coordinator. "Recruitment is a year-round effort, and this award reflects just how seriously the Dallas BA community takes it."

A strong association means stronger advocacy, better education, more resources, and a louder voice for the industry. Every new member adds to that foundation. If you haven't gotten involved with membership recruitment, now is a great time to start. Reach out to a colleague, introduce them to what the DBA has to offer, and help keep this momentum going.

And as always, do business with a member first. It's one of the simplest and most powerful ways to strengthen our industry from the inside out.

Congratulations to the Dallas Builders Association, the Membership Committee, and every member who played a role in this achievement. Read more at nahb.org.

If you would like to get involved with the ongoing member recruitment efforts, reach out to Alyssa Morales, Membership Coordinator, at (214) 615-5004 or alysa.morales@dallasbuilders.com.

"None of this happens without people... the members who make the calls, extend the invitations, and personally invite colleagues to join. Recruitment is a year-round effort, and this award reflects just how seriously the Dallas BA community takes it."

—ALYSSA MORALES, MEMBERSHIP COORDINATOR

The infographic is a vertical layout with a dark blue header and footer. The header features the NAHB logo and the text "National Association of Home Builders". The main title "GRAND AWARD WINNERS - 2025" is in large, bold, white letters, with a gold trophy icon to the right. Below the title is a gold star and the word "AWARDS" in a dark blue banner. The infographic is divided into two main sections: "PERCENTAGE INCREASE" and "NUMERICAL INCREASE". Each section includes a circular icon (a bar chart with an upward arrow for percentage, and a circle with a percentage sign and an upward arrow for numerical), a description of the award, and the Dallas Builders Association logo. The footer features a city skyline and houses, with the text "BUILDING STRONG COMMUNITIES. TOGETHER."

Nominations Open

2027 BOARD OF DIRECTORS, ASSOCIATE VICE PRESIDENT

Each year the Dallas BA searches the ranks of its members to find those who want to take an active role in the leadership of the Association and the evolution of the home building industry in the area.

The Dallas Builders Association Board of Directors and the Associate Vice President are selected by the membership in elections each summer. This is accomplished through a series of steps that will first seek out interested candidates, then affirm their willingness to become a leader. Once the Nominating Committee completes the review of the interested candidates, it then prepares recommendations and the ballot.

If you are interested in serving on the board, either as a director or as the Associate Vice President, or both, or know someone who is, now is the time to let the Nominating Committee know. Adam Lingenfelter of Lingenfelter Luxury Homes is chairman of the committee this year.

Deadline to nominate is June 22 at 4 p.m.

EXPECTATIONS OF A DIRECTOR

Each director is elected for a one-year term, starting in October. They are expected:

1. To attend the Board of Directors Strategic Planning Meeting;
2. To attend the Installation of Leadership Banquet;
3. To attend Board meetings;
4. To attend all Dallas BA general functions;
5. To invest in HOMEPAC of the Dallas Builders Association;
6. To take an active role in the committee structure of the Dallas BA;
7. To be active in recruiting new members; and
8. To support the special events of the Dallas BA.

Express your interest or make a nomination by scanning the QR on this page and completing the brief survey. Please note if you are eligible to be considered as an Honored Life Director. According to the Dallas BA bylaws, the Board may elect Honored Life Directors upon nomination for the position by the Nominating Committee. The member shall have:

- Served as a Director for at least seven years.
- Served at least one year as chairman or president of a committee, council or division or in an elected or appointed position in public office.
- Met all Board of Directors attendance requirements for at least seven years.
- Made extraordinary contributions to the home building industry or the community.
- Obtained an NAHB professional education designation or obtained forty-eight (48) continuing education hours with the Dallas BA education program or the NAHB Certificate courses within the last seven (7) years.
- Invested in HOMEPAC of Greater Dallas for at least seven years.

ASSOCIATE VICE PRESIDENT

The Associate Vice President will serve a one-year term and will represent the needs and interests of all Associate members. Candidates for Associate Vice President shall have served or be currently serving as President of a Division or Chair of a Council, elected or appointed member of the Board of Directors for three (3) of the preceding five (5) years, Chair of the Education, Communications or Membership Committee, or be a Life Director of the Board of Directors with active voting privileges.

You don't have to be a Swiftie to lead like one.

Taylor Swift's rise to global icon status is more than a music success story, it's a lesson in modern leadership. From building authentic connections with her audience to reinventing herself and taking strategic risks, she demonstrates the qualities of a bold and adaptable leader. In this session, we'll explore how those same approaches can inspire leaders to grow their teams and organizations.

Join us for a fun and engaging program with NAHB's Donna Franza, where we'll make Swiftie-style friendship bracelets, enjoy some Taylor-inspired music, and dive into the leadership lessons behind the Queen of Pop's success.

Shots Fired, Champions Crowned

On Wednesday, May 14, Mission Ridge Range in Plano, Texas welcomed a competitive field of 50 shooters for the 4th Annual Dallas Division Top Shot Handgun Challenge, presented by Main Street Lumber and Main Street Millwork.

The event brought together industry professionals across two divisions, Expert and Novice, for a day of precision shooting, friendly rivalry, and outstanding sportsmanship. Congratulations to all participants for making this year's challenge another memorable success, and a special recognition to the top finishers in each division whose skill and preparation set them apart from the field.

A massive round of applause to every shooter in the field, from the podium finishers to the brave souls who claimed the coveted Dead Ass Last title, a time-honored tradition. It takes guts to compete, and every one of you made this event a success.

Mark your calendars for the 5th Annual, and start practicing now. The targets don't get any bigger.

1st Place Expert Division winner Jayme Thornburg, Devance Electronic Lifestyle (left) and 1st Place Novice Division winner Travis MacDonald, Aerosal (right). With Dallas Division board member Richard Miller, Richard Miller Custom Homes.

GROW TOGETHER!

Join Our Membership Drive as a Featured Business

**New members mean new
customers, and we want to
send them straight to you!**

As part of the Dallas BA's June Membership Drive, we're inviting member businesses to be featured in our campaign by offering a special incentive for new association members. It's a simple way to get your business in front of motivated, community-minded professionals who are primed to support their fellow members.

We'd love to feature your offer.

Examples include:

- Discounts on services or products
- Free consultations or trials
- Member-only pricing
- Complimentary add-ons or upgrades
- Exclusive promotional packages

**To be included, simply reply
with your offer by Thursday, June 11.**

Thank you for being a valued
part of this community.
Let's grow it **together!**
